

International Fire Service Accreditation Congress

Accredited Entities and Levels

This information is current as of September 2, 2010

Codes used in the Report	
E	This edition of the NFPA level has expired based on the IFSAC 3-year compliance requirement. Seals may not be issued for this level until it has been upgraded and IFSAC Administration notified of the upgrade [i.e., 2000(E)].
U	This level has been upgraded to the current edition of the NFPA standard since the actual site visit or administrative review [i.e., 2005(U)].
AR	This level was accredited through the administrative review process as of this date.
SV	This level was accredited as a result of a site visit completed on this date.
